If you are unable to attend, you can provide feedback through the website.

Join us to learn about the upcoming park improvements!

Silver Oaks Park:

- Construction begins this spring, aiming for completion by fall.
- Focus on enhancing accessibility.

Hansen West Park:

- New neighborhood building, inclusive playground, and Ninja Warrior pieces in the plans.

Other Park Improvement Highlights:

- Hansen West tennis courts get a spring color coating.
- Totem Pole Park reconstruction is nearly complete.
- Hansen East finishes construction in the spring, including trail paving and ballfield fencing.
- Lions Park Splash Pad construction begins in spring or early summer, adjacent to the playground.

There may be a quorum of the City Council, the Parks, Recreation & Environmental Commission and other City Commissions.
